

MESSAGE FROM THE CHAIRMAN

As Chairman, I look forward to this opportunity to address all my employees and partners in business. I am happy to say that 2006 has been particularly rewarding for our company. This year Amalgamated Security celebrated 20 years in business. We opened another branch of our Guard Service in Barbados; expanded our range of services in Trinidad and Tobago and we brought together all our Administrative Offices into our new Head Office. Our technological advances have exceeded our milestones for this year.

*As I reflect on the year 2006, I say with confidence that 2007 proposes to be an even better year for us. I cannot over emphasize though, that we are in a highly competitive market where the top providers are determined by the quality of the service delivery. Hats off to you, the dedicated staff! We have remained number one by the talent of those blessed to provide good service and by the effort of those who really tried hard. **My personal thanks and appreciation.** As we prepare to face another year I look forward to the continued commitment and support of the entire Amalgamated Family.*

As this year comes to a close, I extend my most sincere wish to you and your families for a Blessed Christmas and a Very Prosperous 2007. On behalf of My Family, Directors and Executive Members of Amalgamated Security, May God Richly Bless You.

With thanks

*Michael Aboud
