Chairman's Christmas Message 2023

Dear Members of the Amalgamated Security Family,

As we celebrate the joyous occasion of Christmas and usher in the promise of a New Year, I extend my warmest wishes to each one of you. May this festive season be filled with joy, happiness, and prosperity for you and your families.

In the spirit of gratitude, let us express our sincere appreciation for the dedicated efforts each of you has contributed throughout the year. Your commitment has been pivotal in upholding our ethos of service in excellence. As we reflect on our journey, let us remember our pledges to serve with honour, ethics, and fairness.

Together, as a united team, we have achieved remarkable milestones. Your collective accomplishments make us proud as we fulfil our role in the private security sector, actively contributing to the reduction of crime and making our country a safer place to live.

At Amalgamated Security, I wish to underscore the paramount importance of not only our esteemed officers who serve as the public face of our organization but also our dedicated back-office staff. The tasks undertaken by our back-office team are equally demanding and play a pivotal role in supporting our overarching vision and commitment to excellence in service. While our officers rightfully receive recognition, it is imperative to acknowledge the often-unseen efforts of our back-office staff.

Their unwavering dedication behind the scenes is vital to the seamless functioning of our operations. As the Chairman of this organization, I emphasize that it is the combined efforts of both our front-line and back-office teams that truly exemplify the strength of Amalgamated Security, embodying a comprehensive approach to achieving excellence in our service delivery.

As the Chairman of Amalgamated Security, I wish to extend sincere gratitude for the unparalleled support provided by the families of our dedicated employees. Our officers, who willingly put themselves on the line in service of their professional duties, rely significantly on the unwavering backing from their families. It is this understanding, encouragement, and reassurance that empowers our officers to execute their responsibilities with unwavering dedication and focus, free from unnecessary concerns. I want to express profound appreciation for the sacrifices made by the families of our employees. Their steadfast support is not only acknowledged but also recognized as an integral component of our collective success. In our organization, we hold in high esteem not just the commitment of our officers but also the indispensable role played by their families. This dynamically fosters an environment where our personnel can carry out their duties with a profound sense of assurance and purpose.

In the coming year, let us build on the foundation of our patriotic duties and self-reliance. Through hard work, continued commitment, and mutual respect, we can further enhance the well-being of our lives and that of the company. We aim not only to maintain our status as the industry leader but also to set the benchmark for others to follow.

As we cherish the festive moments, I urge each one of you to stay safe. Enjoy this holiday period with your loved ones and embrace the New Year with revitalized vigor and a renewed sense of commitment to all our stakeholders.

Thank you for your unwavering dedication, and I look forward to another year of shared successes and I ask the Almighty to continue to bless and protect us and give us good health as we continue to chart these difficult times and that our Amalgamated family remains steadfast and laser focused for 2024.

Wishing you a Merry Christmas and a Happy New Year!
